

Ahmed Humayun Murshed

Chartered Accountant

(Co-founder and CEO)

Ahmed Humayun Murshed, Chartered Accountant, is a corporate advisor with nearly 20 years of experience in governance, assurance, valuation, transaction advisory, financial restructuring, regulatory compliance, audit, and capital market engagements. His expertise centers on accounting standards, financial reporting frameworks, and the practical application of corporate, banking, tax, VAT, and securities laws for large and regulated entities.

He is the CEO and Co-Founder of Accfintax, established in 2017, which has expanded into Dubai, UAE, becoming one of the first structured Bangladeshi-origin advisory firms with an international presence and a multi-jurisdictional team. He also serves as Associate Director at Hoda Vasi Chowdhury & Co., where he has been engaged since 2010 following his return from the United Kingdom with prior experience in accounting engagements, equity management and investment banking (foreign exchange management).

Professional Experience and Sector Exposure

Ahmed has led and contributed to advisory and professional engagements across a wide range of industries, including:

Central banking and monetary authority, International and local commercial banking, Non-bank financial institutions (NBFIs), Telecommunications and large-scale infrastructure, Manufacturing and industrial sectors (cement, automotive, commodities, pharmaceuticals, FMCG, real estate, MEP industries), Government and public sector projects, Capital markets and public listings, Large diversified conglomerates, High-growth start-ups and e-commerce platforms, valuation assignments for large conglomerates and emerging businesses, High-end financial and tax due diligence for transactions and investments, Internal and external audit engagements across regulated and large entities, Fund raising advisory (both debt and equity), ERP and financial systems implementation across multiple platforms.

Education and Affiliations

He completed his schooling at Willes Little Flower School and Government Laboratory High School, followed by HSC from Notre Dame College, Dhaka. He earned a degree in Accounting and Finance from London Metropolitan University, UK. He is a Member of The Institute of Chartered Accountants of Bangladesh and is affiliated with Dhaka Chamber of Commerce & Industry, e-Commerce Association of Bangladesh, and Bangladesh Association of Software and Information Services. He is also a member of Kurmitola Golf Club, Air Force Golf Link (AFGL), Club Notredamians Bangladesh Ltd (CNBL), Gulshan Society, and Founders Community Club Ltd (FCCL), reflecting his active engagement in professional and social networks. A regular columnist at The Daily Star, he writes on finance, governance, restructuring, and economic policy, reflecting his broader engagement in shaping business and economic discourse.
